

A PainTrain Production

Welcome to Camp Kamp. Your parents have just dropped you off for a weekend of "fall fun." Unfortunately, within moments of arriving, you notice that your beloved Mac N Cheese has gone missing! With nowhere to go, you decide to brave it up and trek through the woods to recover that which has been taken from you. Armed with nothing but a flashlight, you venture out, only to discover that the forest is not as safe as it first appeared...

Explore

Explore the dense forest and seek out your Mac N Cheese. But be wary, should your flashlight go out, you will be lost in the woods FOREVER.

Ghouls!

Beware! These woods are haunted with ghosts that will chase you to steal energy from your flashlight.

Powerups

Collect Powerups to aid you in your journey through the maze. This battery would restore power to your drained flashlight.

Fight Back

Fight back against the beasts by shining your flashlight at them to make them fizzle and disappear.

Mac N Cheese

Reach your beloved Mac N Cheese to escape the woods and be free from Camp Kamp
